Good afternoon Andrew,

Cory Koger and I would like to stop at TCEQ to introduce ourselves to you. We are currently deployed to the TX JFO supporting Hurricane Harvey response activities for the US Army Corps of Engineers. We've been tasked to work together to get an understanding of any water/wastewater infrastructure assistance needs in the impacted area. We have some meetings today at 2pm and would like to come over to TCEQ after those, possibly around 3pm. Will you be available for a quick meet and greet?

Thank you,
Andrea
